PANduo pH® Rx

MADE IN FRANCE

AYPA1221

PANduo pH Rx, a dual automatic regulation for consistently balanced water.

The PANduo pH Rx will be your best ally to ensure the proper functioning of your swimming pool.
This regulator takes care of adjusting the quality of your water all by itself thanks to its two integrated pumps, allowing simultaneous regulation of pH and chlorine.

It is also suitable for campsites, hotels and residences.

Suitable for private pools from 15 to 150 m3 and public pools from 15 to 90 m3

Visuels non contractuels
