PANpilot XP S20

(3L/h - 8L/h)

MADE IN FRANCE

AYPA1707

PANpilot XP S20, precise control and simplified maintenance for your swimming pool.

The PANpilot XP S20 will meet the needs of your swimming pool thanks to its simultaneous regulation of pH and chlorine or bromine by Redox.

In addition, thanks to its compact professional analysis chamber, maintenance of the device is facilitated.

Suitable for pools from 30 to 300 m3

Visuels non contractuels
