Physico pH CLM

MADE IN FRANCE

AVADY

AYPA1218

Physico pH CLM, the effective dual regulation of pH and chlorine for healthy and perfectly controlled water

Suitable for hotels, campsites, residences and spas, the Physico pH CLM will be your best ally to ensure the proper functioning of your swimming pool.

It simultaneously regulates pH and chlorine dosage using a pump, a salt electrolyzer, or a solenoid valve.

Suitable for pools up to 1500 m3

DOSAGES

Real-time dosing and display of pH and chlorine levels

ALARMS

Predefined threshold alarms

INSTALLATION

Quick and easy installation and setup thanks to the complete kit provided (CLM probe included)!

GUARANTEE

2-year device warranty
